DETAILED ACTION

Election/Restrictions

1. Newly amended **claims 1-27** are directed to an invention that is independent or distinct from the invention originally claimed for the following reasons: The originally presented claims 1-27 are drawn to a telephone of class 379/372, and the amended (May 5, 2004) claims 1-27 are drawn to a mobile phone of class 455/403

Since applicant has received an action on the merits for the originally presented invention, this invention has been constructively elected by original presentation for prosecution on the merits. Accordingly, **claims 1-27** withdrawn from consideration as being directed to a non-elected invention. See 37 CFR 1.142(b) and MPEP § 821.03.

Because there are no more claims to examine, no further action by the examiner is necessary.

1. Applicant's amendment necessitated the Restriction Requirement presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37

Art Unit: 2643

CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
